

CHÂTEAU BÉLA

MICE & The Château

WHO WE ARE

It's hard to imagine a more suited spot for hosting a seminar or training course, than a scene of natural and cultural treasure – historical Château Béla, offering for your customers or collaborators 44 luxury rooms and suites, remarkable due to their first-class individual style and comfort.

Baroque castle, frequented by a loyal clientele, is situated amidst a sweeping park landscape, between vineyards, lakes and parks, providing a premium wine and gastronomic concept.

WHAT WE DO

Château Béla offers a unique opportunity for corporations to use its historical rooms and grounds to run seminars, conferences and events, that attract hundreds to small, more private off-site meetings and team building workshops or parties. Château Béla offers the option for the exclusive use of the whole Château or renting individual rooms and spaces depending on the needs and requirements.

The biggest banquet hall can seat up to 420 people, who can be divided into multipurpose salons for meetings to break off sessions, while the Château's grounds are perfect for team building sessions from exercise activities in the park to group projects on the lawns.
